

Charles Endirect

The CEL range of enclosures and extension boxes is ideal for the control and protection of Festive Lighting. Designs can incorporate switches, fuses, RCCBs, RCBs, MCBs, timeclocks and contactors.

However our range of standard units suit most situations and are offered at special discounted rates ready for the Festive Season 2016, starting at less than £99.

L4 Festive 1

L4/PFI/Festive

L3/Festive 1
